

Wuhan, China
November 21-23, 2025

2025 5th International Conference on Energy Evolution and Power Engineering: Transition, Intelligence and Autonomy

2025 5th International Conference on Energy Evolution and Power Engineering: Transition, Intelligence and Autonomy (EEPE-TIA 2025) will be held in **Wuhan, China** during **November 21-23, 2025**. EEPE-TIA 2025 is organized by **Wuhan University**.

The conference will be organised every year in different locations all around the world, with an aim to foster the knowledge and understanding of the recent advances across the broad field of Energy, Electrical and Power Engineering.

*The 5th International Conference on Energy, Electrical and Power Engineering (CoEEPE 2025) is formally redefined as the 5th International Conference on Energy Evolution and Power Engineering: Transition, Intelligence and Autonomy (EEPE-TIA 2025), reflecting the discipline's paradigm shift toward systemic energy autonomy through three foundational research domains: Transition (carbon-aware multi-energy system integration), Intelligence (federated learning for grid resilience enhancement), and Autonomy (distributed self-healing microgrid control protocols), with all prior proceedings maintaining validity under this designation and scholarly contributions accepted at CoEEPE 2024, CoEEPE 2023, CoEEPE 2022, CoEEPE 2021.

Organizer

- Wuhan University

Organizing Committee

Conference Chair

Yigang He—Wuhan University, China

Program Chairs

Hui Zhang—Wuhan University, China
Lei Chen—Wuhan University, China

Publication Chair

Chengxi Liu—Wuhan University, China

Publicity Chair

Tao Lin—Wuhan University, China

Finance Chair

Jiaxin Yuan—Wuhan University, China

Keynote Speech Chair

Bu A—Wuhan University, China

International Liaison Chair

Jianfei Chen—Wuhan University, China

Award Chair

Jun Zhang—Wuhan University, China

Local Chairs

Zhiye Du—Wuhan University, China
Fuping Zeng—Wuhan University, China

Important Dates

Abstract Due: Aug. 31, 2025
Abstract Notification Due: Sept. 10, 2025
Full Paper Due: Oct. 7, 2025
Full Paper Notification Due: Oct. 15, 2025
Registration: Nov. 1, 2025
Conference Dates: Nov. 21-23, 2025

Call For Papers

- Advanced Energy Technologies
- Artificial Intelligence
- Automatic Control
- Building Energy-Saving Applications
- Efficient Use of Resources
- Electricity Carbon Fusion
- Energy Chemical Engineering
- Energy-saving Technology
- Hydrogen and Fuel Cell
- Hydropower Engineering
- Integrated Energy Systems
- Intelligent Electrical Appliance
- New Electric Power System Technologies
- Nuclear Energy Engineering
- Power Electronics
- Power Quality
- Power System Control
- Power System Optimization
- Pumped Storage Power Engineering
- Renewable Energy and Buildings
- Renewable Energy Grid
- Renewable Energy Utilizations
- Risk Management Issues in the Energy Sector
- Smart Grid

Publication Information

All accepted and presented papers will be included in EEPE-TIA 2025 conference proceedings, which will be submitted to major databases such as EI Compendex and Scopus for review and indexing.

Publication History

CoEEPE 2024 | Nanning, China | Springer LNEE
CoEEPE 2023 | Melbourne, Australia | Springer LNEE
CoEEPE 2022 | Beihai, China | Springer LNEE
CoEEPE 2021 | Huangshan, China | Springer LNEE

Submission Notes

<https://cmt3.research.microsoft.com/CoEEPE2025>

- Manuscripts submitted to the conference should be written in English only.
- Manuscripts submitted to EEPE-TIA 2025 should follow the template provided on the conference website.
- Manuscripts can be submitted in Doc, Docx and PDF format.
- The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.
